

WebCaptions

The founders and creators of 1CapApp are excited to announce the release of WebCaptions, a revolutionary technology built to deliver live captions in social media platforms. Once again, accessibility development has crossed over to mainstream viewership and 1CapApp is right there with a solution.

You know you need to meet accessibility guidelines to the web, but did you know that most videos are watched without sound? “Digiday” cites that 86% of Facebook viewers watch videos without sound:

<https://digiday.com/media/silent-world-facebook-video/> and YouTube claims that 96% of its viewership are watching silently. But no more!

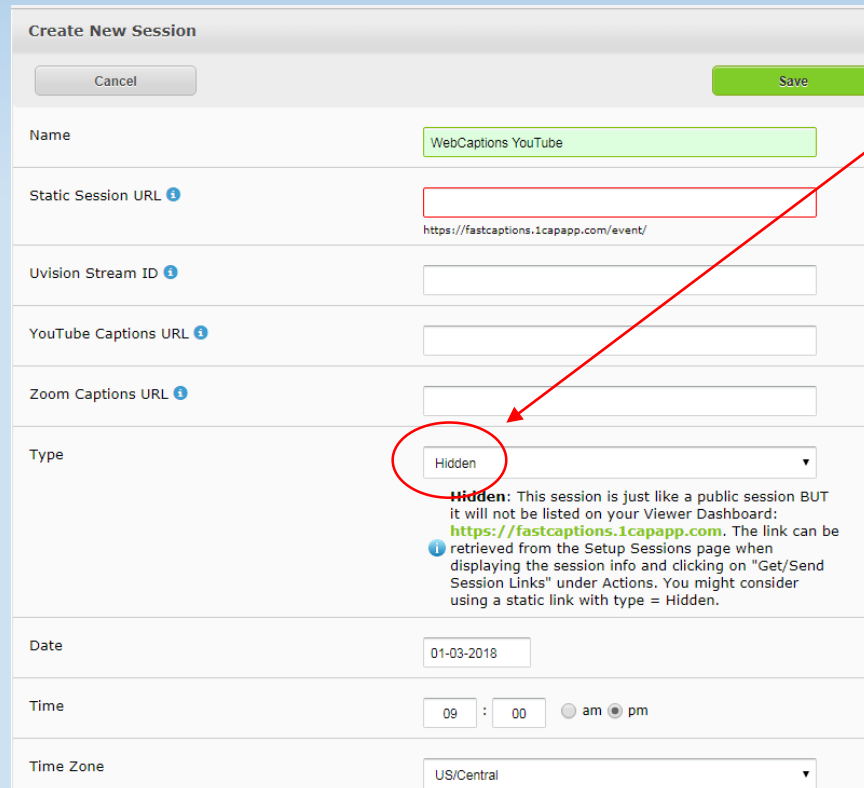

WebCaptions is affordable at only \$1.00 per minute and is customizable to meet your clients’ and viewers’ personal preferences. WebCaptions will remember settings so clients and viewers won’t have to change with each video they view.

The dashboard is simple. Schedule, pay and go!

WebCaptions

Instructions for Caption Company.

1. Schedule a session in your 1CapApp Dashboard. When scheduling be sure **“Type”** is **“hidden.”**

Create New Session

Cancel Save

Name WebCaptions YouTube

Static Session URL [?](#)
 <https://fastcaptions.1capapp.com/event/>

Uvision Stream ID [?](#)

YouTube Captions URL [?](#)

Zoom Captions URL [?](#)

Type **Hidden**
 Hidden: This session is just like a public session BUT it will not be listed on your Viewer Dashboard: <https://fastcaptions.1capapp.com>. The link can be retrieved from the Setup Sessions page when displaying the session info and clicking on "Get/Send Session Links" under Actions. You might consider using a static link with type = Hidden.

Date 01-03-2018

Instructions for Caption Company.

2. After scheduling and still in the 1CapApp Dashboard click **“Hover On.”**

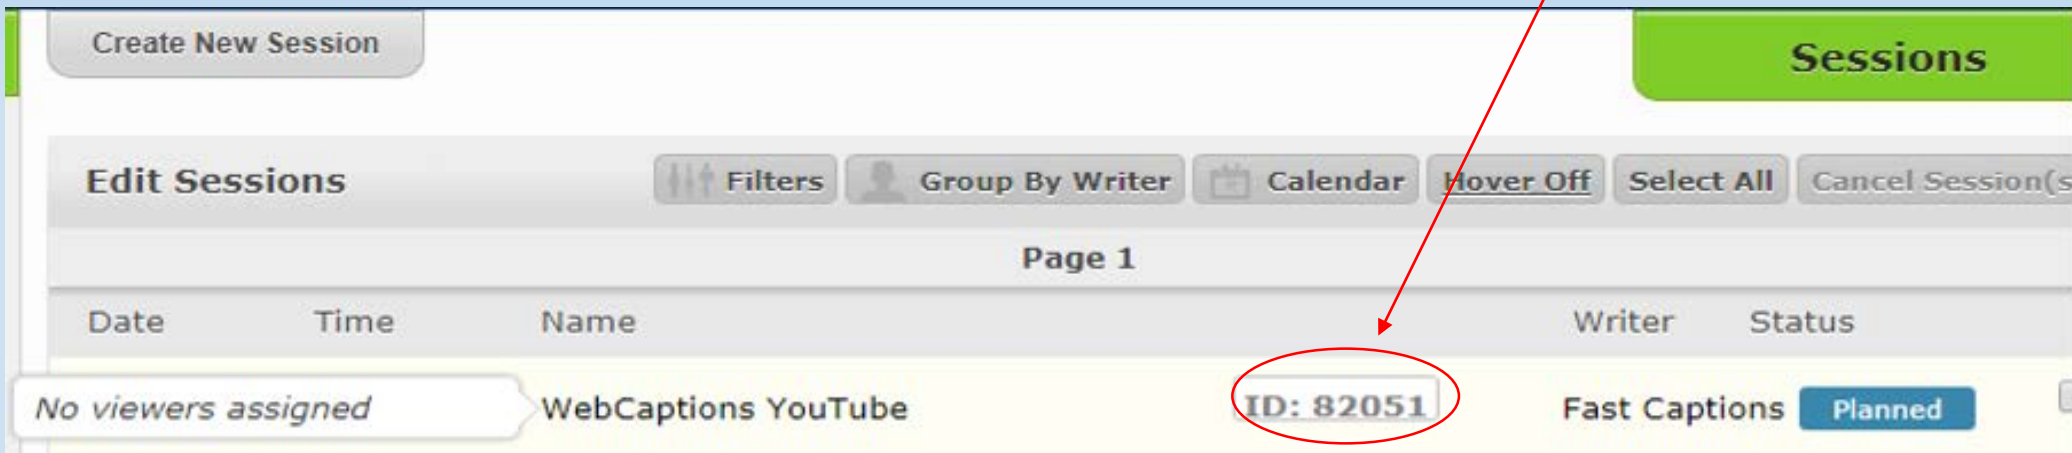

The screenshot shows the 1CapApp Dashboard interface. At the top, there is a 'Create New Session' button on the left and a green 'Sessions' tab on the right. Below the 'Sessions' tab, there is a navigation bar with several buttons: 'Edit Sessions', 'Filters', 'Group By Writer', 'Calendar', 'Hover On' (circled in red with a red arrow pointing to it), 'Select All', and 'Cancel Session(s)'. Below the navigation bar, there is a table with the following columns: 'Date', 'Time', 'Name', 'Writer', and 'Status'. The table contains one row with the following data: '01/03/2018', '09:00PM', 'WebCaptions YouTube', 'Fast Captions', and 'Planned'. Below the table, there is a summary row that says '1 session(s) in 1 page(s)' and 'Page 1'.

Date	Time	Name	Writer	Status
01/03/2018	09:00PM	WebCaptions YouTube	Fast Captions	Planned

WebCaptions

Instructions for Caption Company.

3. Place cursor on the 1CapApp session you scheduled. Your Session ID will pop on. Give this 1CapApp Session ID to the A/V team, caption company or person responsible for scheduling WebCaptions.

The screenshot displays the 'Sessions' management interface. At the top, there is a 'Create New Session' button on the left and a green 'Sessions' header on the right. Below the header, a toolbar contains buttons for 'Edit Sessions', 'Filters', 'Group By Writer', 'Calendar', 'Hover Off', 'Select All', and 'Cancel Session(s)'. A 'Page 1' indicator is centered below the toolbar. The main content area is a table with columns: 'Date', 'Time', 'Name', 'ID', 'Writer', and 'Status'. The first row of data shows a session named 'WebCaptions YouTube' with the ID '82051' circled in red. A red arrow points from the text 'Give this 1CapApp Session ID to' in the instructions above to the circled ID. To the left of the session name, there is a tooltip that says 'No viewers assigned'. To the right of the session name, it says 'Fast Captions' and 'Planned'.

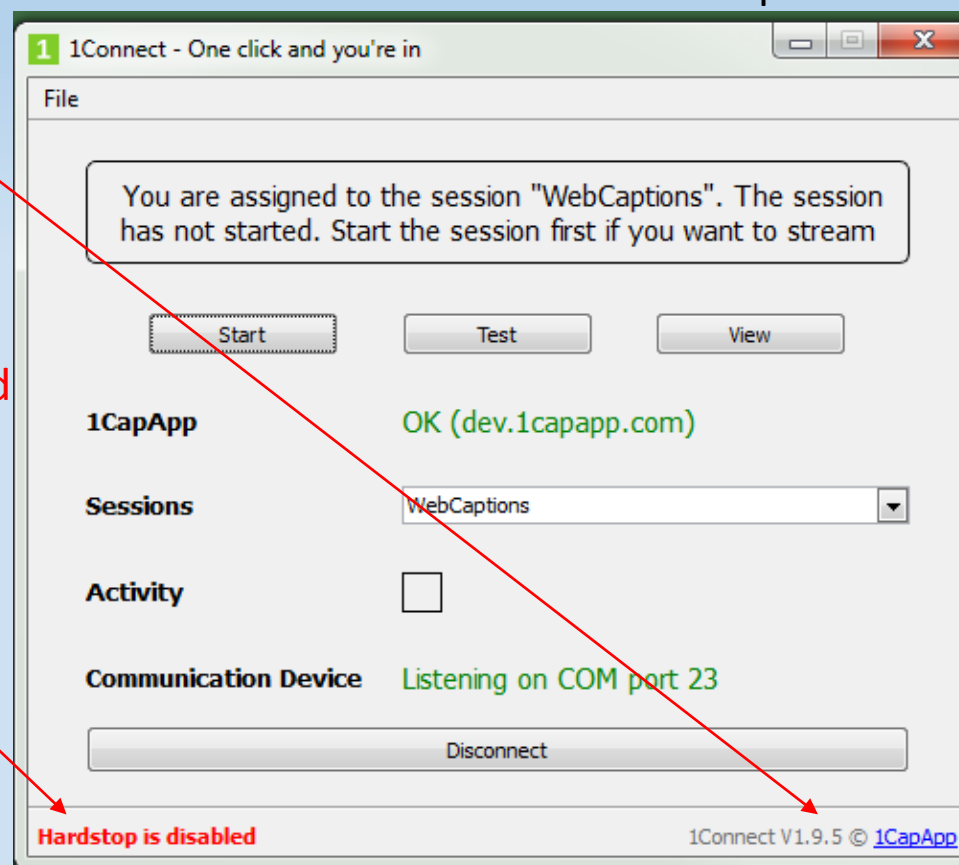

Date	Time	Name	ID	Writer	Status
		WebCaptions YouTube	82051	Fast Captions	Planned

WebCaptions

Instructions for Captioner.

4. Captioner will connect to 1Connect and their CAT software and caption as usual. Captioner confirm you are on the latest 1Connect V1.9.5.

Pay attention to the hardstop the caption company has set on their 1CapApp account. This is the time you can sit idle and not hit your keys before 1CapApp will stop/end the session.

WebCaptions

Instructions for A/V, Caption Company or Person Scheduling WebCaptions.

1. Register for an account at www.webcaptions.com.
2. Type in your username and password. **WRITE IT DOWN**. Click login.

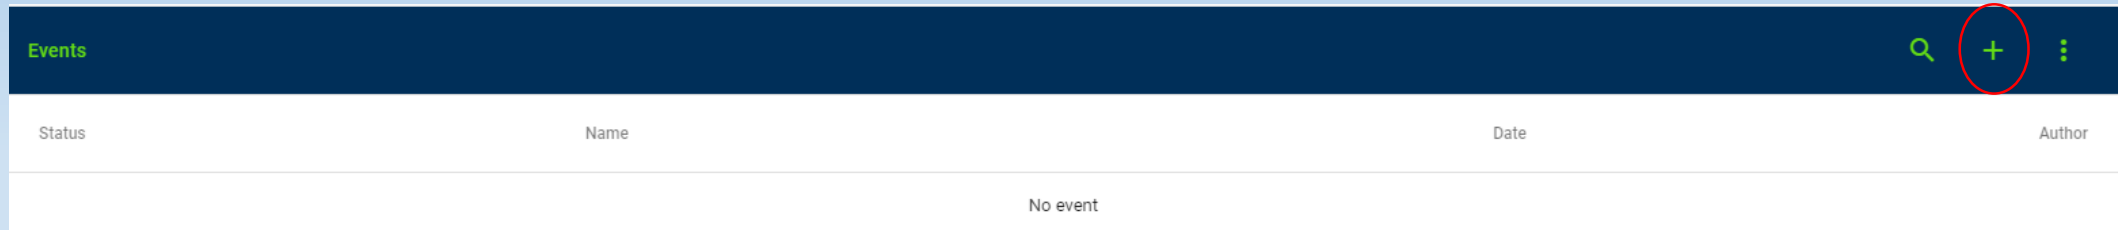

The screenshot shows the WebCaptions login interface. At the top, there is a dark blue header with the 'WebCaptions' logo on the left and 'REGISTER' and 'SIGN IN' links on the right. The main content area is white and contains a 'Login' form. The form has a title 'Login' at the top, followed by a 'Username' input field and a 'Password' input field. To the right of the password field is an eye icon for toggling visibility. Below the password field is a 'LOST PASSWORD' link. At the bottom right of the form is a dark blue 'LOGIN' button, which is circled in red. A red arrow points from the 'WRITE IT DOWN' text in the instructions to the 'LOGIN' button. Another red arrow points from the 'Username' input field to the 'LOGIN' button.

Status	Name	Date	Author
No event			

WebCaptions

Instructions for A/V, Caption Company or Person Scheduling WebCaptions.

4. Create your YouTube or FaceBook session and copy/paste the link. Fill out all other fields with the appropriate information. **Note:** Password protect is optional. You do not need to create a password. Time must be filled in with four place markers, i.e., 08:00 for 8 a.m.

IMPORTANT: Schedule and purchase extra time in case the event goes longer than expected. WebCaptions **WILL STOP/END** your event if your event runs over the time you purchased. **You cannot edit/change this amount after the fact so plan ahead.**

Click **Continue**.

The screenshot shows the 'Event Creation' form with the following fields and values:

- Event Name:** Change Oil
- Password:** Protect your event
- Link:** https://www.youtube.com/watch?v=01hF25Cowv8
- Date:** January 4, 2018
- Time:** 08:00 AM
- Estimation of event duration:** 2H
- Source video language:** English
- Desired captions language:** English
- Notes:** Do it yourself, change the oil in your car.
- Important informations about the event:** (empty text area)

Red arrows point from the text instructions to the 'Link', 'Estimation of event duration', and 'Continue' button fields.

CHECKOUT

WebCaptions

Instructions for A/V, Caption Company or Person Scheduling WebCaptions.

6. Click on the **checkmark** and the Session ID box will pop open. Enter the Session ID given to you by your caption company. Click Confirm.

The screenshot displays the WebCaptions web application interface. At the top, there is a dark blue header with the 'WebCaptions' logo on the left and a navigation bar on the right containing a calendar icon, the word 'EVENTS', and a share icon. Below the header, there is an 'Events' section with a search bar, a plus icon, and a menu icon. A table lists events with columns for Status, Name, Date, and Author. One event is visible with the status 'Pending' and the name 'Change Oil'. To the right of the event row are three icons: a pencil (edit), a chain link (link), and a checkmark (confirm). A red arrow points from the text 'Click on the checkmark' to the checkmark icon. A modal dialog titled 'Confirm Event' is open in the center of the screen. It contains the text 'Please provide the 1CapApp session's ID where the captions will be sent:' followed by a text input field labeled 'Session ID'. A red arrow points from the text 'Enter the Session ID given to you by your caption company.' to this input field. At the bottom of the modal are two buttons: 'CANCEL' and 'CONFIRM'. A red arrow points from the text 'Click Confirm.' to the 'CONFIRM' button.

Status	Name	Date	Author

Instructions for A/V, Caption Company or Person Scheduling WebCaptions.

7. Click on the pencil to edit your event. You can edit all the settings **EXCEPT** the time you purchased. You also have a status button. The status button will read **planned**, **pending** or **active**. You can always review vital information regarding your event by clicking the status button. If you want to start your event early click **Start**. Click the **SHARE** button to watch Live session with captions.

The screenshot displays the 'Events' management interface. At the top, there's a dark blue header with the word 'Events' in green, and icons for search, add, and menu. Below this is a table with columns: Status, Name, Date, Author, and a set of action icons (pencil, link, eye, and a red 'x'). The first row shows an event with Status 'Planned', Name 'Change Oil', Date 'January 4, 2018 8:00AM', and Author 'capapp'. To the right of this row is a green 'START' button. Below the table, there's a detailed view of the event. It includes fields for Event ID (27), 1CapApp Session ID (#50826), Current Status (Planned), Planned Date (January 4, 2018 8:00AM), Platform (youtube), Source URL (<https://www.youtube.com/watch?v=Q1hF25Covv8>), Author (capapp), Created Date (January 4, 2018 7:23AM), Source Language (English), Captions Language (English), Notes (Do it yourself, change the oil in your car.), and a 'PAYMENT DETAILS' button. A 'SHARE' button is also present. At the bottom, there's a pagination bar with '<', '1', and '>' buttons. Red arrows from the text above point to the 'Planned' status, the 'START' button, and the 'SHARE' button.

Instructions for Persons Viewing Captions.

1. Get the link from the A/V team, caption company, or person scheduling the live event. Viewer options are located below the live video stream which allows a viewer to pick all their favorites: font, colors, position and size of caption box, et. cetera. Viewers can also increase or decrease the font with a simple click.

The next four screen shots were taken of Live YouTube and Live Facebook sessions. Notice the caption position can be moved to the bottom or the top, middle, left justified . . . All with a simple click of the mouse.
